REGISTERED OSTEOPATHS

COVID-19

- **On arrival, please call us on 01727 834038 and wait in your car until your appointment time.** You are welcome to make a debit card payment for treatment over the telephone when you call to reduce time after treatment. **If on foot, please do not arrive more than 5 minutes before your appointment time.**
- **Do not enter the practice if you have any symptoms associated with the virus or have been exposed to anyone who has.**
- **Please wear a mask.**
- On entry, please wait for us **to take your temperature** before proceeding to the bathroom facility to **wash your hands** for 30 seconds with soap and warm water. There are single-use paper towels in a dispenser on the wall to the left of the sink.
- Unless you need a chaperone, **please enter alone** and ask anyone accompanying you to wait elsewhere.
- Please consider the safety of the receptionists, osteopaths and fellow patients by **keeping your distance** at all times in the communal areas and only coming for treatment if you are feeling well.

We are confident that our patients will appreciate the necessity for these measures, and if there are any questions arising from this notice, please do speak to the Osteopath treating you or to a member of our reception team.

With thanks in advance for your co-operation.
